\*Harmonization of interest rate with the level of 3M EURIBOR on a quarterly basis (March 30, June 30, September 30 and December 30), and the level of interest rate at loan disbursement corresponds to the interest rate established for the current quarter. For loans approved until 30th in month, the intercalary interest shall be calculated from the date of loan disbursement to the date of transfer in repayment, at the interest rate equaling the contracted interest rate. The intercalary interest shall be charged upon the expiration of the utilization period on 30th in month. The value used for the calculation was 3M EURIBOR as of 30.4.2021 amounting -0,54%. The loan shall be repaid in accordance with the NBS middle exchange rate ruling for EUR on the date of maturity of annuity. A change of EUR exchange rate against RSD may lead to significant change of total amount in RSD which is subject to repayment.
