

Intesa Leasing increased its capital for RSD 935 million

Belgrade (6th April) - On 30 March Intesa Leasing Beograd strengthened its core capital for additional RSD 935 million. This recapitalization will enable the growth of business volume in the key segments of financing new and second-hand passenger and commercial vehicles, equipment and agricultural machines. The investments of Banca Intesa Beograd in Intesa Leasing will directly affect the growth of placement in leasing and enable its competitiveness on the domestic leasing market.

“This investment in Intesa Leasing is another proof of the strong and stable position that Intesa Sanpaolo Group holds and its commitment to continue investing in Serbia despite the current crisis. The fact that the resources were secured for recapitalization of Intesa Leasing operations in Serbia, prove that our Parent Bank strongly believes in development perspectives of this market. Recapitalization of Intesa Leasing shows our intention to remain a permanent and reliable partner to the corporate sector and citizens in Serbia. Heeding to the market and our clients’ needs, we will also develop new leasing products and enter the leasing arrangements with the existing as well as our new clients”, said Mr Vlastimir Vuković, Director of Intesa Leasing.

Intesa Leasing Beograd, as a reliable partner, is permanently oriented towards satisfying the needs of its clients which was confirmed through the growth of its total assets by 27.2% compared to the previous year. As of today, the headquarters of Intesa Leasing Beograd Company is on the new address: 54, Cara Uroša Street, Belgrade.
