Banca Intesa helps to reconstruct Kraljevo

Beograd (November 5) - Banca Intesa Beograd donated RSD 5,000,000.00 as help for the affected citizens of Kraljevo whose homes were damaged in the devastating earthquake.

Funds will be paid onto the account of the town of Kraljevo already today, to enable the citizens to repair the material damage in the shortest possible time and spend winter undisturbed in their homes.

„Banca Intesa is always ready to provide help to those most affected, especially in extraordinary and difficult circumstances as those caused by earthquake in Kraljevo. I believe that this way we will contribute to mitigating consequences and enable everybody to rebuild their homes fast“, said Draginja Đurić, CEO of Banca Intesa Beograd.
