

## PRESS RELEASE

### **Banca Intesa presenting new savers with insurance**

New service of Banca Intesa  
With deposit in the amount of EUR 1,000 insurance as a gift

**Belgrade (11 October 2007)** – With objective to stimulate citizens to FX savings, Banca Intesa introduced a new product that will provide the new savers along with favourable savings conditions, a Delta Generali insurance policy as a gift, according to deposit owner's choice. All citizens who open FX savings account in Banca Intesa in the period from 15 October till end of the year and place on it min. amount of EUR 1,000 for the time period of 12, 24 or 36 months, will also receive as a gift Delta Generali policy of household insurance or liability insurance. Validity period of policy will be equal to the terming period of the deposit.

The amount of interest rate for termed FX savings ranges from 3% for deposits termed for one month, whereas for deposits of over EUR 50,000 termed to the period of 36 months, interest rate reaches 6.30%. Particularly favourable savings conditions relate to average amount deposits and terming periods, that in our environment means deposits in the amount of up to EUR 5,000 termed for shorter period of 3, 6, 12 months or up to two years, where interest rates range up to 5.4%.

In terms of savings volume, Banca Intesa is among the leaders on the domestic market, with total deposits in the amount of EUR 600 million and market share of 13%. From the beginning of this year till the end of August, total deposits increased by 29.4% in relation to the end of the previous year.
